Childcare Centers on Campus: Registration and Admission

To make our registration processes more transparent we would like to explain these processes to you in detail. There are presently three childcare centers on campus open to different target groups of children:

- Campulino, Lucy-Hillebrand-Straße 2a, 55128 Mainz; Tel. 06131/39-37374
<http://www.studierendenwerk-mainz.de/sistudent/index.php?id=415>
- Weltentdecker, Dahlheimer Weg 1, 55128 Mainz; Tel. 06131/39-23874
<http://www.studierendenwerk-mainz.de/sistudent/index.php?id=416>
- Städtische Kita auf dem Campus, Wittichweg 33, 55128 Mainz; Tel. 06131/382105
<http://www.kita.uni-mainz.de/>

All three centers exclusively offer full-day care for all children. The Studierendenwerk Mainz is responsible for the registration process of all the daycare centers. Places at the childcare centers are not allocated in order of application but rather on the basis of urgency: 1. Children of single parents have priority, 2. Children whose siblings already attend one of the childcare centers do have priority as well. We hope for your understanding that all other causes of urgency are subordinated to these.
